National Park, Philadelphia, Oct. 13.—The Boston Americans are the world's champions of 1915. The Red Sox defeated Philadelphia Nationals by a score of 5 to 4 here today in a game which was up and tuck until the finish. Twice the Philadelphians took the lead, only to be tied, and Harry Hooper finally clinched it for the American league champions by smashing a home run into the right center stands. It was Hooper's big black bludgeon that put the Red Sox across as winner, the California boy smashing out two home runs during the game. Duffy Lewis was another hero for Boston, his home run clout in the eighth inning sending in a run ahead of him and tying the score when it looked like a Philadelphia victory.

Philadelphia, Oct. 13.—Surprises came thick and fast in the fifth game of the world's series here today between the Red Sox and Phillies. To start with Manager Pat Moran decided to work Mayer in the box instead of the "Mighty" Alexander. An audible rumble of surprise ran through the stands when Mayer was announced. The home fans were cheered when Bancroft, Paskert and Luderus led an attack in the first inning and assembled two runs. Foster's unsteadiness in the first inning was indicated when he hit Stock. Boston came right back with the big guns. Gardner's three-bagger and Barry's single generated a run. In the third Hooper caught the sphere on the nose and drove it to the center field stands for a home run, knotting up the score. His hit was the first homer of the series. Both teams struggled fiercely in the crucial game of the series. A victory for Carrigan's team meant a world's championship and a win for the Phillies meant a hope—a hope that all the dope would be upset. Boston's attack was so strong that Mayer was forced from the box in the third inning. Rixey took up the burden. Carrigan changed his batting order in the third by placing Gainer at first in place of Hoblitel. In the fourth inning the Phillies trailed the bats and Foster and drove in two more tallies. Luderus, the Phillies' first-sacker, combed the second home run of the series in the fourth inning. Singles by Nichoff and Burns gave the Phillies their fourth score. The much looked for battling rally of Moran's men came today. Up to the fifth inning the combined number of hits was 15. The largest of any game of the present series.

GAME IN DETAIL
First Inning.
BOSTON—A murmur of surprise went up when Mayer was announced as Philadelphia's pitcher. He singled to center, the first ball pitched. Scott fouled out to Luderus, trying to sacrifice. Speaker forced Hooper at second. Luderus went to Bancroft. Speaker kicked on the decision. No run, one hit, no errors.
PHILADELPHIA—Stock was hit by a pitched ball, Dughey going to second. Bancroft singled to left, Stock going to second. Paskert safely hunted and the bases were filled. The Boston players made a kick on O'Loughlin's decision at first, which was close. The stands were in an uproar. A double play—Silowed, Hooper took Cravath's grounder and threw to Thomas and Stock was out. Thomas then threw out Cravath at first. Bancroft and Paskert scored on Luderus' double to left center. Whitted fled

Harry Hooper of the Red Sox, who knocked two home runs today.

out to Speaker. Two runs, three hits, no errors.
Second Inning.
BOSTON—Hoblitel was out, Luderus to Mayer. Bancroft threw out Lewis at first. Gardner hit a long three base hit to right center, the ball bounced nearly to the top of the fence. Six inches higher and Gardner would have had a home run. Gardner scored on Barry's Texas leaguer to left. Thomas singled to center. Barry going to second. Foster popped out to Luderus. One run, three hits, no errors.
PHILADELPHIA—Nichoff fanned on three pitched balls. Burns sent up a high one to Gardner. Mayer fanned. No runs, no hits, no errors.
Third Inning.
BOSTON—Hooper got a home run into center field bleachers. Scott fled out to Paskert. Speaker shot a hot single to right. On the Boston grounds it would have been a three base hit or home run. Boston's hitting was too much for Mayer and Captain Luderus rebuffed him with the left-handed Rixey. Hoblitel withdrew and Gainer batted in his place. Gainer also was assigned to play first base for the visitors. A double play followed. Bancroft took Gainer's grounder, touched second, forcing Speaker and then threw out Gainer at first. One run, two hits, no errors.
PHILADELPHIA—Gardner threw out Stock at first. Bancroft fled out to Hooper. Paskert singled over second. Paskert was out stealing. Thomas to Scott. No runs, one hit, no errors.

Fourth Inning.
BOSTON—Lewis out on a fly to Whitted. Gardner walked. Rixey showed a very wide curve. Barry fouled out at second. Stock to Nichoff. Thomas fled out to Cravath. No runs, no hits, no errors.
PHILADELPHIA—Cravath struck out. Luderus scored on a home run drive over the right field fence. The crowd gave him an ovation as he crossed the plate. Whitted fled out to Gardner. Nichoff singled to center. It was his first hit in the series. Burns singled to right, sending Nichoff to second. Nichoff scored when Gardner's long throw to right center field made a fine throw home. Barry went to second. Gardner threw out Rixey at first. Two runs, three hits, one error.
Fifth Inning.
BOSTON—Foster singled over short. Hooper was hit by a pitched ball. Foster was almost picked off second by Burns' line throw. Scott fled out to Whitted. Foster and Hooper resung on the bugs after the catch. Speaker was out to Speaker. Barry going to third and Hooper to second. Gardner fled out to Nichoff. No runs, one hit, no errors.
PHILADELPHIA—Gardner threw out Stock. Gardner made a bad throw but Gainer made a nice pickup. Bancroft put a single over Scott's head. Paskert fled out to Speaker. Barry was out stealing. Thomas to Scott. No runs, one hit, no errors.

Sixth Inning.
BOSTON—The official attendance was announced 22,594. Lewis was out at first. Bancroft to Luderus. Gardner fouled out to Burns. Bancroft took Barry's grounder and threw to first. Barry went to second. Cady batted for Thomas. Cady walked. Nichoff threw out Foster at first. No runs, no hits, one error.
PHILADELPHIA—Umpire Klem announced that a runner may take two bases on an overthrow because of the stretched out. This ruling changes Gardner's error in fourth inning to an error for Hooper instead. As Hooper's throw went to the stand, Cravath fanned for the second time. Cady was now catching for Boston. Luderus walked. Luderus was out stealing. Cady to Barry. Whitted fled out to Speaker. No runs, no hits, no errors.
Seventh Inning.
BOSTON—Hooper out, Nichoff to Luderus. Scott sent up a high one to Luderus. Burns 20,594. Lewis was Speaker's hot shot off the ground. No runs, no hits, no errors.
PHILADELPHIA—Foster robbed Nichoff of a hit and threw him out at first. Burns fouled out to Foster. Rixey singled to left. Scott fled out to Hooper. No runs, one hit, no errors.

Eighth Inning.
BOSTON—Gainer scratched an infield hit which Stock could not field in time. Gainer and Lewis scored on Lewis' home run drive into the right center stand. Gardner fled out to Paskert. Barry went out by the Bancroft-Luderus route. Cady fled out to Paskert. Two runs, two hits, no errors.
PHILADELPHIA—Scott tossed out Bancroft at first. Paskert popped out to Gainer. Cravath walked. Dughey ran for Cravath. Luderus was hit by a pitched ball. Dughey going to second. Foster threw out Whitted at first. No runs, no hits, no errors.
Ninth Inning.

IS UP TO OWNERS

Lost Business on Lower Kansas Avenue Can Be Regained.

Cost Only Trifle More Than \$5 Per Lot for Ten Years.

ELIMINATE ALL THE BUMPS

Topeka Avenue Can Be Made a Boulevard for Even Less.

W. G. Tandy and A. R. Young Tell How It Can Be Done.

Business streets which are now losing traffic because of poor paving, and residence sections which are avoided for the same reason, can be made popular thoroughfares at a cost of approximately \$5 per lot per year. This is the opinion of W. G. Tandy, city commissioner of streets, and A. R. Young, city engineer, who have been consulted by the State Journal and urged to present their practical views.

Kansas avenue between Third and Fourth streets is losing trade because traffic is being diverted to Jackson street. The natural trend of traffic is also Kansas avenue, but the granite block paving there is a thing which all classes using the streets desire to avoid. The property owners in this block can regain this business.

WRIGHT SELLS IT

Aeroplane Manufacturer Turns Over His Entire Plant.

New Company Will Enlarge Output at Once.

New York, Oct. 13.—Orville Wright has sold his entire interest in the Wright Aeroplane company, at Dayton, Ohio, to a syndicate consisting of William B. Thompson, Albert H. Wiggin, president Chase National bank of New York and T. W. Frank Manville of the H. W. Johns-Manville company, according to an announcement made here today.

The new aeroplane company will have a much larger capitalization than the present Wright company and it will undertake to manufacture various types of aeroplanes and flying boats on a far larger scale than has heretofore been attempted. The Wright company which controls all of the patents in aeroplanes secured by Orville Wright and his brother, the late Wilbur Wright, is capitalized at \$1,000,000 of which \$800,000 is outstanding.

Wright owns 97 per cent of the outstanding stock. The purchase price could not be ascertained. It was also learned that Orville Wright, although disposing of his entire interest in the present company, will become consulting engineer of a new aeroplane company which the syndicate will control.

All negotiations for the purchase of the Wright aeroplanes company have been completed in New York and the stock will be transferred within a day or two.

HYPHENATED?

Mr. Business Man:
Miss Topeka wants to know if you are hyphenated. In other words, she wants to know just how much support from you she can depend upon to help keep her first division place in the commercial and industrial league.

The commercial club is one of the biggest props under Topeka's throne. Upon the activities of its crew depends Miss Topeka's commercial and industrial future. The commercial club is launching a big movement for a state industrial museum and more factories for the capital city. She is in favor of them and needs them. Her retailers are buying millions of dollars worth of goods in the east every year that could be manufactured here. An industrial museum would be a card index to Kansas opportunities for housekeepers and prospective investors.

Miss Topeka doesn't want to live in the past; she wants to live in the future of the progressive west. Will she? It's up to you, Mr. Business Man!

FLOCK TO AMERICA

European Crooks Are Coming to the United States.

New York Is an International Crime Center Now.

WOMEN CAN SCARE THEM

"Keep Your Lights Burning" Is Detectives Advice.

Don't Leave Curtains Up in Evening They Say.

BURGLAR PREVENTION RULES FOR WOMEN

1. Leave your lights burning when you are not at home at night.
2. Protect your property with burglar alarms. Get good ones.
3. Don't forget that the crook is a gibbering coward in the light.
4. A porchlight will often scare a burglar out of the neighborhood.
5. Don't leave your curtains up when the shadows of evening fall.
6. Don't keep large sums of cash in the house. Crooks know it.
7. Don't invite thieves by leaving valuable jewelry scattered about.
8. Above all, don't forget the lights. Roosevelt once told me "4 lights as good as a policeman."
9. Don't leave doorkeys anywhere on or near the porch.
10. And last of all—don't forget to have plenty of light at night.

New York, Oct. 13.—The war has made New York the biggest "international crook center" in the world, authorities declare. Every city in the country likewise has its increased quota of crooks of all kinds, driven from Europe.

It seems to be the women who are suffering most from the straight burglaries. To date this year the toll of the Snout-and-Jowl and Crafty-Debonair brigades in Gotham alone totals nearly half a million dollars in gems and cash. Practically all of the big

BELL NOT GUILTY

Mayor of Indianapolis Acquitted by the Jury.

Was Charged With Conspiring for Fraudulent Elections.

Indianapolis, Oct. 13.—A verdict in the trial of Joseph E. Bell, charged with election conspiracy, was read in court this afternoon. The verdict was "not guilty."

The jury was out one hour and 43 minutes. Judge Eichhorn instructed the jury that it was not necessary for the state to prove beyond a reasonable doubt that the defendant is guilty of 45 counts in the indictment to warrant a conviction but that "if the evidence convinces you beyond a reasonable doubt that the defendant is guilty as charged in any one of the counts of the indictment, you are warranted in returning a verdict of guilty against him and it is your duty to do so."

The jury was composed of six Republicans, three Democrats, a Socialist, a Progressive and a Prohibitionist. Five of the jurors are farmers, two carpenters, a janitor, a watchmaker, a contractor and two are retired.

Paris, Oct. 13.—Foreign Minister Delcasse resigned today. His resignation was accepted.

An important announcement respecting changes in the French cabinet probably will be made later today.

The desire to obtain united support of all elements in parliament in upholding the name of the government in dealing with foreign affairs, particularly the critical conditions in the Balkans, has brought about the situation which, in all probability will result in changes in the ministry.

Foreign Minister Delcasse is giving serious concern to his friends.

DOUBLE WEDDING?

Report That President's Daughter, Too, Will Marry.

Margaret Reported Engaged to Chicago Man.

Chicago, Oct. 13.—The story of the romance and betrothal of Frank Elbert Compton of Chicago and Miss Margaret Wilson, daughter of the president, was revived in Chicago today. With the revival of the report, which neither Compton nor members of his family would deny, came the additional information that there will be a double wedding in the White House and that Miss Wilson will become Mrs. Compton on the same day that Mrs. Edith Bolling Galt is married to her father.

Wedding presents are already being selected. Associates of Compton in business declare that the announcement of the approaching wedding of President Wilson and Mrs. Galt has brought the Chicago publishers and the members of the Skokie Country club, an announcement of the betrothal.

Frank E. Compton is president of the F. E. Compton Publishing company, 58 East Washington street. He is 42 years of age, a widower, the father of an 8-year-old boy and the adopted father of a little girl. He has a bachelor residence at Glencoe and is a member of the Skokie Country club. He first met Miss Wilson in Florida several years ago and they renewed their acquaintance last year when Miss Wilson attended the national convention of Civic Workers at Madison, Wis. He visited Miss Wilson last August at the "summer White House" at Cornish, N. H.

All of the hundred or more young women stenographers and typewriters in the offices of the Compton Publishing company were aware today that the head of the corporation was to marry President Wilson's daughter and that the wedding was to take place on the same day that President Wilson weds Mrs. Galt. They were circulating a subscription list for a fund for a wedding present for the bride of their employer.

Frank E. Compton was found playing golf on the links of Skokie Country club at Glencoe.

"I have absolutely not a word to say," he replied, when told of a dispatch containing the news that he had become engaged to Miss Margaret Wilson and that the wedding was to take place within a month.

"I neither affirm it nor deny it," he said when pressed further.

New York, Oct. 13.—There are now 2,000,000 men in Europe who have suffered the loss of limbs, faculties or both as a result of injury in the war, according to Frank B. Gilbreth of Providence, R. BULLETIN.
London, Oct. 13.—Bulgaria has declared war on Serbia.

Petrograd, Oct. 13.—Another striking victory has been won by the Russians on the southern front in Eastern Galicia. They have pierced the last line of Austrian defense on the Strypa river and stormed one of the strongest points on the Austro-German right flank.

Paris, Oct. 13.—Russia is preparing to land a great army on the Bulgarian coast, according to the Rumanian journal Universal today.

Vienna, Oct. 13.—Austro-German troops are attacking the Servians today all along the front on the south bank of the Danube and Save rivers, on the east side of the Drina. The invaders, it was asserted, controlled the hills overlooking all the river crossings. Hot resistance by the Servians was anticipated.

Twelfth Nation.
The decision of Bulgaria, the twelfth nation to enter the war, to join the ranks of the belligerents on the side of Germany, Austria and Turkey, was received only after a diplomatic struggle for months between representatives of the Teutonic allies and the quadruple entente.

Each side offered tempting inducements to gain another ally but the Bulgarian government finally decided Germany and her friends had made the higher bid.

Bulgaria is rated as one of the most powerful of the Christian Balkan states. Her land is smaller than that of her neighbor.

BOOST IT TO 800

Commercial Club Campaign Is on Tomorrow.

Topeka Must Give Her Real Support at Once.

Topeka business men will be given a chance tomorrow to put themselves in the first rank as boosters for the city's commercial and industrial life or to be dropped into the "slough of despond" as a consequence.

The Commercial club's whirlwind membership campaign will begin immediately after breakfast tomorrow morning, when more than 200 members of the club will canvass the business district.

E. L. Overton, chairman of the ways and means committee, gathered his warriors together at luncheon today and mapped out the plan of putting his generals in different parts of the field. The first gun of the campaign will go fired after the doughnuts and coffee are consumed tomorrow morning. When the smoke of the conflict is cleared away the committee wants to be able to check off 800 names, as members of the Topeka Commercial club. If this is done Topeka's future in the commercial field in Kansas is assured. If it is not done—well the members of the committee do not want to think of that.

Under the new arrangement the membership will cost \$20. To any one who may think this sum a little high the committee points to the report of the United States department of commerce, which shows that the membership dues in Sioux City, Iowa, are \$25, in Wichita \$50, in Emporia \$15, and in Lincoln, Neb., \$15. However, in Lincoln \$50.00 is raised each year while in Topeka only \$17.50 is raised.

The renewals at the new rate will be effective when the present membership expires. There has been some discussion on this point and the committee wants all the business men who renew their membership to know that the new fee will not be due until the date of expiration on their old membership.

The following captains will have charge of the campaign tomorrow: E. L. Overton, Frank Curry, C. E. Bagcom, B. B. Eitelman, C. D. Skinner, D. Spickerman, G. R. Harries, S. L. Courtney, O. L. Wadsworth, Dr. F. J. Ernest, C. H. Mathews, C. S. Elliott, J. E. Spaulding, H. C. Snyder, Herbert Dale, H. A. Pugh, J. Earle Tanner, Richard Wilson and W. C. Carswell.

Manitoba Wet and Dry Fight Started.
Winnipeg, Man., Oct. 13.—Wets and dries today met separately to organize their forces, preparing for an array of hot action, in the referendum election vote to be taken here in March on whether Manitoba will become dry.
